

Rhode Island Interscholastic League

Student Ambassador Application

2016-17 School Year

Each year the R.I. Interscholastic League Student Advisory Board provides leadership opportunities for student-athletes from around the state. As an extension of that program, the RIIL is actively seeking student-athletes to serve as Student Ambassadors. These ambassadors will play a critical role, assisting the SAB in carrying out initiatives and community service projects, such as the Peanut Butter Express Challenge, and ensuring that their school has a voice in the educational and athletic process.

Date: _____

Name: _____

School: _____
